A Lexis property search for Obama in Illinois shows the Hyde Park property in Obama's name beginning in 1998. All tax assessments from 1998-2004 are in the name of Emil. Obama Records have different Legal Description than the original owner documents.	Mortgage Fraud?	Lexis Property Search
	Address used to qualify for election for that district?	
Cook County Recorder shows completely different information than Lexis. Emil owns property from 1986-1989, then Warranty Deed to Stephen Anderson in 1989, then Warranty Deed to Obama n 1993. Then Warranty Deed to Elling in 2005.	Questionable	Various Documents from Cook County Recorder
Warranty Deed to Obama from Anderson n 1993, however release of Anderson Mortgage is recorded in 1998 and requests it be sent to Obama former Law Firm. Obama address shown as 927 W. Argyle 1W	???	93608056-1993.pdf

Mortgage by Hyde Park Mortgage originally recorded and sent to Chase Manhattan Mortgage Company. Then assigned from Hyde Park Mortgage to Chase Manhattan Mortgage Company	Hyde Park Mortgage is in Chicago.	0021090670-2002.pdf
	Original Mortgage already sent to Chase when recorded.	0021090671-2002.pdf

<p>Then it is supposedly Assigned again from Hyde Park Mortgage to Chase, but this one says the original lender Barbara Hill amount \$30,000 property address 2772 E. 75th Street, Unit 3G S.</p> <p>Finally, 2005 Release is from Hyde Park Mortgage even though it had been assigned twice to Chase Manhattan Mortgage.</p> <p>Final sale financed by Northern Trust, same company that was used to purchase his new mansion.</p>	Already Assigned, who s Barbara Hill??	0021310477-2002.pdf
	How can Hyde Park Release a Mortgage that they had already assigned to Chase twice.	0513253040-2005.pdf

Normally, you would only record an assignment after you had sold the loan. So, in this case, the supposed loan would have been sold twice to Chase and collected on by Hyde Park a third time when they erroneously filed the release. You would think Chase would be wondering how a loan they bought twice was released by a company who no longer owned it, wouldn't you??
